NEW PUNCH PASS FORMAT

HOW IT WORKS

- 1 Pass = 1 Class. Purchase a Punch Pass through your iClassPro Customer Portal, then reserve each eligible class individually.
- Athletes may choose different eligible classes or continue attending the same class, depending on availability.
- Class schedules will be posted weekly in team BANDs and on our website.
- We will also try to add pop-up classes that may be booked using Punch Passes.

PLEASE NOTE: A Punch Pass does not automatically enroll an athlete in a class. Reservations are required, spaces are limited, and all bookings are subject to availability.

Punch Passes are PER athlete and non-refundable.

NEED HELP BOOKING? Whether you use a web browser or the iClassPro app on your phone, we have you covered. Visit the Members Only section of our website for 2 how-to videos: one for browsers and one for the app.

We are excited to continue offering this flexible option to our athletes and families!
